“Why do bad things happen to good people. Teachings on Karma” with Ven. Robina Courtin

Sometimes it is hard for us to understand why some people are very lucky in their lives – even if they do not behave well – while others always have difficulties. The Buddhist teachings on karma provide an explanation for these situations and help us to become more aware of our actions and their results in daily life.

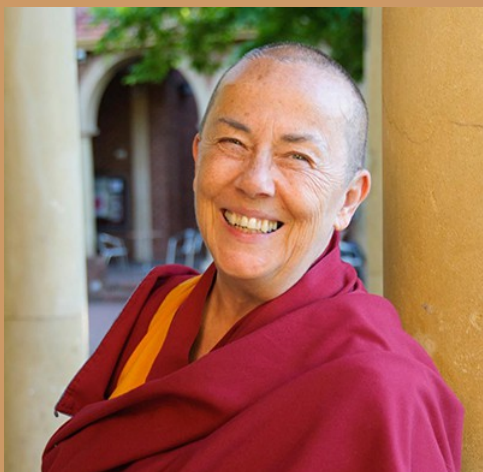

The lessons will be held in these days/time:

Wednesday and Thursday at 8.30 pm

Friday at 5.30 pm, and 8.30 pm

Saturday at 10 am and 4 pm

Sunday at 9.30 am

Ordained since the late 1970s, Ven. Robina has worked full time since then for Lama Thubten Yeshe and Lama Zopa Rinpoche's FPMT.
